**Biographical or Historical Note**

The Roswell Cemeteries Project was a National Park Service-grant-funded joint effort between the Roswell Historical Society and the City of Roswell. The project created research guides for historic cemeteries and graves in Roswell, culminating in a searchable database and an informative brochure. The project also placed interpretive panels at all three Roswell Historic District cemeteries; Founders' Cemetery, the Roswell Presbyterian Cemetery, and Old Roswell Cemetery.

---

**Scope and Content**

This collection contains four binders that contain guides for individual historic cemeteries. These guides contain photographs, copies of primary sources, and newspaper clippings.

---

## **Organization Note**

Items are kept in their original binders, which are organized by cemetery.
