Biographical or Historical Note

The Heritage Antique and Appraisal Society, which served as a resource for learning about antiques and conducting appraisals, prepared this series of lectures on antiques and worthwhile collectibles in 1977. Well-known authorities authored each lecture. A staff of writers, photographer, and artists at Creative Media Corp supervised the work under the direction of Dr. Robert Bishop, who served as the Chairman of Heritage Antiques and Appraisal Society on a part time basis as well as being the Curator of fine furniture at the Henry Ford Museum.

Jay Standish, an investor in the Society, assumed control over its assets in the late 1970s. Standish turned the lectures, research material, and library over to the Roswell Historical Society with all rights, title and interest in the Heritage Antiques, Society, Inc. in 2000.
